If you do not already have an account, click on **SIGN IN** and enter the requested data.

The screenshot displays the InfoCert login page. The top navigation bar includes the GoSign logo and links for 'How it works', 'Use cases', 'Plans and pricing', 'Who we are', 'Sustainability', 'FAQ', and 'Login To GoSign'. On the right, there are buttons for 'Login', 'Contact us', and 'EN'. The main content area has a heading 'You're not registered yet?' and a subheading 'Create your account now'. To the right is a registration form titled 'Insert your data' with a 'Login →' link. The form contains the following fields: 'Company/Personal *' (a dropdown menu set to 'Individual'), 'Name *' (text box with 'Alexander'), 'Surname *' (text box with 'Weber'), 'Personal ID' (text box with '123456'), 'Address *' (text box with 'Mühlenstraße BERLIN, Germany'), 'E-mail address *' (text box with 'alexanderweber@gmail.com'), and 'Phone number *' (text box with '1234567890'). Below the fields are two checkboxes: 'Use this e-mail address as the first user of the service' (checked) and a mandatory declaration checkbox (checked) regarding the information notice. There are also two optional agreement checkboxes with radio buttons for 'Yes' and 'No'. At the bottom of the form is a blue 'Sign In →' button, which is being pointed to by a black mouse cursor.

If you click on **SIGN IN**, we will send you an e-mail to confirm the activation of the e-mail you entered during registration.

Click on **E-MAIL VERIFICATION**, enter your new password and confirm, so as to be able, subsequently, to access the Reserved Area of letsgosign.com

The screenshot displays the GOSIGN website's registration process. At the top, the navigation bar includes the GOSIGN logo, links for 'How it works', 'Use cases', 'Plans and prices', 'Who we are', 'Sustainability', 'FAQ', and 'Login To GoSign'. On the right, there are buttons for 'Login', 'Contact us', and 'P&EN'. The main content area shows a breadcrumb trail 'Homepage > Login' and a section titled 'Already registered?' with the text 'Access to your account now'. A modal window is open, titled 'GOSIGN' with a checkmark icon. It contains the heading 'Confirm password' and the instruction 'Choose a password to complete your registration'. Below this is a 'New password' label and a password input field showing eight dots. A dropdown menu is open below the input field, displaying four password requirements, each with a green checkmark: 'At least 8 characters', 'At least one capital letter and one lowercase', 'At least one numeric character', and 'At least one special character'.

TEAM Active 5 USERS ^

Assign the service to your USER
0 users assigned on 5 available + Assign USER

N°	Name and Surname	E-mail address	Phone number	Status
No USERS assigned				

Click on **CONFIRM** and **SAVE** to complete the assignment.

PLEASE NOTE: ensure that your data are correct, especially user's e-mail. Once entered, the e-mail will be associated with the LGS Credentials and no other USERS can be associated with it.

The screenshot shows the 'User management' page in the GoSign interface. At the top, a green notification bar states 'USER correctly assigned'. The main content area is titled 'TEAM Active' and shows '5 USERS'. Below this, a section 'Assign the service to your USER' indicates '1 users assigned on 5 available' and includes a '+ Assign USER' button. A table lists the assigned user:

N°	Name and Surname	E-mail address	Phone number	Status
1	John Smith	john.smith@gmail.com	+49 123456789	Activation Pending

Below the table is a 'Plans history' section. The footer contains a 'Create, share and... Let's GoSign!' banner with a 'TRY IT FREE' button, a navigation menu with links for Company, LGS Service, and Support, and a copyright notice for InfoCert S.p.A.

From this moment on, the **USER** to whom you have assigned the Service will receive by e-mail all the information needed to carry out the activation and signing steps on **GoSign**. Remember that association can take from **5 minutes to 24 hours** to become **ACTIVE**; if after 24 hours your USER has still not received an e-mail, first check the **SPAM** folder. If no e-mail has been sent by Let's GoSign, contact us by filling in the form on the **CONTACT US** page.

MYLGS GETTING STARTED GUIDE

If you have been assigned an LGS Licence, follow the steps below to activate your Certified Identity and sign on GoSign. Keep in mind that you need a valid e-passport and a smartphone with biometric authentication to use the LGS Service.

Hello John Smith ,
welcome to LGS!

You received an **LGS Licence** and can
now start exploring the full potential of
our digital signature service.

1. Download MyLGS

Click on the button below and download
the **MyLGS** app to your smartphone.

Open the e-mail you have received from Let's
GoSign on your smartphone or PC.
In this message you will find the steps to
follow in the three separate stages.

Click on the first icon and download the
MyLGS app compatible with the operating
system of your smartphone.

Click on the button below and download
the **MyLGS** app to your smartphone.

2. Get Your LGS Licence

Click on the button to scan qrcode and
get the licence.

Get your LGS Licence

After downloading it, open the app and scroll through the brief introductory **Carousel**.

Login with Password

Login with Biometrics

Click on **START**, choose your authentication method for logging in to the app (biometrics or password) and agree to receiving notifications from MyLGS.

Remember to save and keep your **RESTORE PASSPHRASE**: you may need it later if you want to move the app from one device to another

Completed Registration

Your registration has been successfully completed!

This is your Restore Passphrase:

virtual dust cinnamon
scheme sting illegal melody
garlic idle accuse sheriff
dice

Save it in a safe place NOW and keep it safe! Without your Restore Passphrase, you will never be able to restore your wallet!

Ok

When the welcome message appears on the Home page of the app, consult the e-mail we sent you and carry out the second step by clicking on the **GET LICENCE** button. And click “START” to scan the Qr code.

Click on the button below and download the **MyLGS** app to your smartphone.

2. Get Your LGS Licence

Click on the button to scan qrcode and get the licence.

Get your LGS Licence

You will be taken to a page with **two options**:

- if you have opened the e-mail on your PC, open MyLGS and click on START to scan the QRCode on the page.
- if, on the other hand, you have opened the e-mail on your smartphone, click on one of the two icons shown on the page (iOS or Android) depending on your operating system.

Welcome

Onboarding

Complete the authentication procedure
and start using your digital signature.

Processing your data...
Please wait until you
receive the Credentials.

After you have scanned the QR code your licence will automatically be added to the app. Then proceed with the step 2.

T&C Documentation

What is the issued service?

TERMS AND CONDITIONS OF USE OF THE WALLET AND ISSUE OF CREDENTIALS ("Terms and Conditions")

By accepting these Terms and Conditions, the User consents to the following terms of use of the wallet (hereinafter also "Application") and the terms and conditions of issuance of identity assertions (hereinafter "Credentials", jointly "Service") by InfoCert S.p.A. (hereinafter "InfoCert"). Pursuant to the Consumer Code and other relevant laws applicable to online services, the electronic procedure for the execution of the Terms and Conditions requires the User to accept InfoCert's proposal and request the Service only after having read the relevant contractual documentation.

Do not move the document

Reading Data...

Follow the instructions provided by MyLGS:
you will have to take **3 photos** of your face (one face on, one of the left/right side and one smiling) and confirm that you are satisfied with the photos. If you are not, keep taking photos until you are satisfied with your SELFIES.
Then click on **OK**.

If the photo did not come out well, you can take another one.

From this moment on, InfoCert will verify your information and identity.

Your **CREDENTIALS** and your Identity have been verified correctly

At this stage, a total of **3 CREDENTIALS** will appear on the MyLGS Home page, and from now on you can log in and sign your digital documents on **GoSign**.

SIGNING PROCESS GUIDE

Once the identification process has been completed, you can start signing your digital documents in a qualified manner! Follow all the steps provided to access and apply your Qualified or Simple Electronic Signature on GoSign using the MyLGS app.

To login to **GoSign**, you can either:

4. Use GoSign

- To sign in, click on the button or log in directly from the menu on the website.

Login to GoSign

- A **QRCode** will be generated by the system. Use the MyLGS app to scan it.
- Load your documents and add your signatures.

- Open the welcome e-mail with the instructions we sent you at the beginning and click on the button **Sign in to GoSign**
- Go to letsgosign.com and click on **LOGIN TO GOSIGN** on the Menu

If you click on one of the two links above, you will be redirected to the GoSign Web login page with a QRCode, for Let's GoSign USERS only.

Log in

← Come back on Let's GoSign

Access **GoSign** from the **MyLGS** app

To access, scan the QR Code
with the MyLGS app

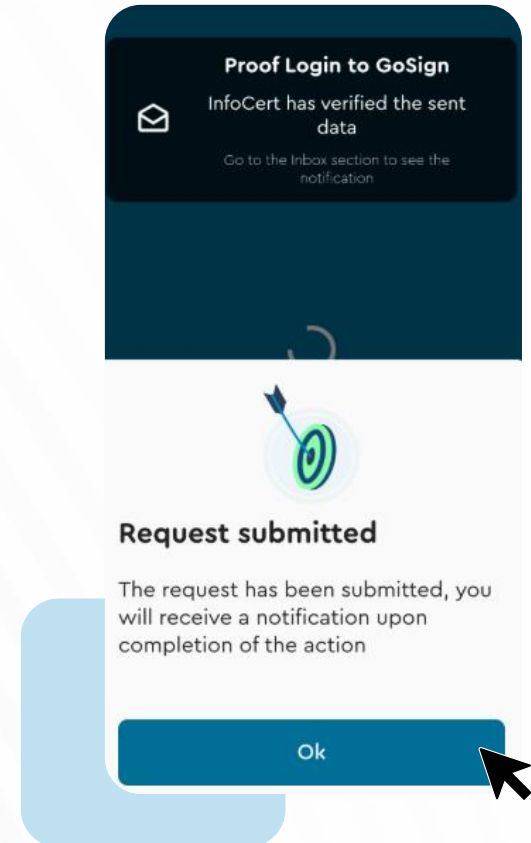

[More information ⓘ](#)

Open the MyLGS app, click on the QRCode icon on the bottom right and **select Scan QRCode**

Using the App, **scan the QRCode** on the page displayed on your PC. Check your data and click on **Send** to submit your request to log in to GoSign.

Go to your **Inbox** section and you will find your credential

If everything has been verified correctly, the system will automatically log you into **GoSign**.

From now on,
you can upload your documents

The screenshot displays the GOSIGN 'Sign and Send' interface. At the top, the GOSIGN logo and navigation icons are visible. The main heading is 'Sign and Send', followed by a breadcrumb trail: 'HOME > CONFIGURE DOSSIER > PLACE SIGNATURES'. Below this, the 'UPLOAD DOCUMENTS' section features a list with one item, '1. GHI1', which includes a PDF icon and a plus sign for adding more documents. To the right of the document list, a card displays 'GHI1' as the subject, 'Dossier BYQ39KBQE' as the subject details, and a 'Deadline' field with a calendar icon. A toggle switch for 'Urgent dossier' is also present. Below the document list, the 'SELECT SIGNATURE TYPE' section offers two options: 'SIMPLE SIGNATURE' and 'QUALIFIED SIGNATURE PDF (PADES)'. The 'SET RECIPIENTS WHO WILL RECEIVE SIGNED DOCUMENTS' section includes a field for 'Recipients' e-mail' with a plus icon. At the bottom, the footer shows 'Dossier BYQ39KBQE | ID BYQ39KBQE' and a 'NEXT' button.
